# How to sign up

A quick walk-through for new testers.

1. **Open the app**
   Go to **forkintracker.com** in your phone's browser, or open the installed app.

2. **Tap "Sign up"**
   On the Sign In screen, tap *Don't have an account? Sign up* at the bottom.

3. **Fill in the form**
   • **Display Name** — what you'd like to be called
   • **Email** — a real address you can check now
   • **Password** — at least 6 characters

4. **Tap "Create Account"**
   You'll see a "Check your email" screen. Leave the app open.

5. **Open the confirmation email**
   Look for an email from Forkin Tracker and tap the link inside.
   **Don't see it?** Check your **Spam** or **Junk** folder — iiNet, Bigpond and some work systems filter it.

6. **Sign in**
   Return to the app, enter your email and password, and tap **Sign In**.

7. **Complete onboarding**
   Answer a few quick questions (sex, year born, goals) so we can set accurate nutrition targets.

8. **Accept Terms of Use**
   Tap **Accept & Continue**. You're in.

**Stuck on "Email not confirmed"?**
On the Sign In screen, after the error appears, tap **Resend confirmation email**. A fresh link will arrive within a minute. Still nothing? Message your Forkin' contact for more help.
